

The desert at dawn with its soft colours and the MacDonnell Ranges in the background, provides a memorable start to the day. Red kangaroos are seen on most flights, as your balloon floats serenely across the remote open spaces of the Australian outback.

## Prices

30 minute balloon flight.....As270

Chase for non flying partners.....As50

Child price of As222 applies to 6 to 16 years

The total price includes a mandatory Civil Aviation Safety Authority Insurance. This insurance charge is \$30 and applies to all passengers regardless of age.

If you have booked through a third party agent (i.e. travel agent or tour desk) this insurance charge has not been collected and is payable direct on the morning of the flight.

Prices are valid to 31 March 2017.

## What to Wear

It can be dusty in the bush and your optional participation in packing up the balloon is fun, so outdoor clothing and enclosed shoes are recommended. You will be no colder in the air than on the ground. Bring a hat in summer as temperatures rise quickly after sunrise.

## Transfers

Transfers to and from your accommodation are included with every flight. We may not be able to pick-up from some properties located in rural areas and the outskirts of town centre, please enquire at time of booking.

## Celebration in the Desert

After the flight you will be served sparkling wine and tropical fruit juice in the desert. The perfect end to a memorable morning.

## Tour Duration

You will be with us for around 4 hours commencing approximately 1 hour before first light.
